

Producer of Dates , Truffles and Nuts in Iran - Products Catalogue - 2026

About Borna

AmirKabir Borna, as a well-known brand across Iran, is a company with a quarter century of experience in packaging, processing and exporting dates, nuts and dried fruits. It was established in 2001, with the primary goal of offering a trustable brand for consumers whether inside and outside Iran.After more than twenty years of activity in internal and external markets Borna products are regularly distributed in internal and external market under the name of Borna. It also operate under the regulations of Food & Drug Administration, Iran's Ministry of Health and Medical Education. And all aspects of the production, packing and distribution processes are monitored and audited by the agency to ensure safety at every step of the process.

In terms of the systematic quality control, the company has the honor to obtain 10 mandatory and honorary awards such as Standard insignia by Iran National Standard Organization, the Healthy Apple Insignia by the Iran Food and Drug Administration, HACCP quality award for food quality control and ISO 9001, ISO 22000 for managing quality of food.
